Seekers After Health.

Unfortunates who are seeking to renew their health, and many who often have their health renewed by the advertisements of worthless compounds, that many are discouraged, and refuse to believe anything they read in the papers. Therefore, the best advertisement of a really good medicine is the reputation it has gained in places where it is being sold. No other remedy ever discovered has shown so rapidly in public favor as that the medicinal tonic called Brown's Iron Bitters. In localities where its extraordinary merits have become fully known and realized by those who have been in ill-health, the sale is unprecedented. One druggist in our city reports the sale of 300 bottles in one week. It is, indeed, a wonderful, health-giving, life-saving preparation. It is soothing and refreshing in its effect, and strengthens every part of the body, and creates healthy appetite and digestion, even when the system is almost destroyed by the many harmful catarrhs so commonly used. Reader, beware! duty demands that you try Brown's Iron Bitters, if your health is poor from any cause.—*ESQUIRE.*

Pain and weakness of lungs, liver, kidneys and urinary organs relieved by using Brown's Iron Bitters.

Mr. William R. Seymour, of Columbus, O., writes: "I attended a course of lectures several winters ago at the Ohio Medical College of Cincinnati, O. There I was taught that iron is a prominent element in the physical organism of mankind, without it life is an impossibility. A vast percentage of the diseases and premature deaths to which the human subject is caused, or at least made possible by a weakening of the body in consequence of a lack of iron in the blood. Having suffered from ill-health, poor digestion and urinary troubles ever since I recovered from typhoid fever, I determined to give iron a trial. From investigation I learned that Brown's Iron Bitters was the best, and that they did not blacken the teeth, so I concluded to make use of them. They have acted like a charm. I never before felt so robust, hearty, and strong."

Hill's Buchu is a permanent cure for all diseases of the Urinary Organs.

We Never Fear.

Our druggists say we never fear to recommend Hill's Buchu Liver Pills, for they always satisfy the buyer.

SARSAPARILLA—The facility with which spurious medicines have been palmed off upon the public is apt to impair confidence in a genuine article. We can, however, assure our reader, that in Wm. Johnson & Co.'s excellent preparation of a practical chemist and we are bold to say, unrivaled in its soothing and efficacious influence on the blood. Such an article, at this season of the year, when the blood needs purifying, is indispensable.—*Detroit Tribune, 1873.*

Every day increases the popularity and sale of Carter's Little Liver Pills. The medicine is that, when once used, relief is sure to follow. They always please.

IMPORTANT TO TRAVELERS!—Special inducements are tendered you by the Burlington Route. It will pay you to read their advertisement to be found elsewhere in this issue.

Physicians Endorse Them.

MUNROE, Mich., July 18, 1877.
Rhinehart Medicine Co.—Gentlemen: I will send me a gross of your Liver Pills. I would like them at once, as my supply is exhausted, and some of my physicians to whom I recommend them for trial are writing prescriptions for them in their practice. One of them speaking of them, the other day, said, "They are so mild, yet so efficient." I am entirely out of them, and would like them as soon as possible.
Yours, etc.
